Say No to Plastic

Dear Students, Faculty, and Staff,

We are pleased to announce that our college is a role model for a plastic-free campus through our 'Say No to Plastic' initiative, which is part of our commitment to promoting environmental sustainability. The campaign aims to raise awareness about the harmful effects of plastic and encourage eco-friendly alternatives.

Objectives :1. detrimental impact of plastic on the environment. 2.Promote the use of sustainable alternatives.

Activities Include:

- Awareness Walk
- Pledge to Avoid Plastic

A Note to Students: We urge all students to make a conscious effort to reduce plastic usage in their daily lives. Carry reusable water bottles, avoid plastic bags, and say no to single-use plastics. Every small step contributes to a larger positive impact on our environment. Together, let's make our campus a model for sustainability.

We invite all students, faculty, and staff to participate actively in this initiative. Let us join hands to make our campus and community plastic-free. Together, we can create a healthier and cleaner environment.

Circular

Dear Students, Faculty, and Staff,

We are requested to launch an awareness campaign titled "**Say No to Plastic**" as a significant step in our ongoing commitment to environmental sustainability. This initiative aims to shed light on the adverse impacts of plastic pollution and inspire the use of sustainable, eco-friendly alternatives.

Objectives of the Campaign:

- Educate participants on the negative impact of plastic on the environment.
- Advocate for the use of sustainable and reusable products.
- Motivate individuals to follow the principles of reduce, reuse, and recycle.

Activities Include:

- Awareness Walk
- Pledge to Avoid Plastic

Note : We urge all students to make mindful choices and actively reduce plastic use in their daily routines. Bring reusable water bottles, avoid plastic bags, and say no to single-use plastics. Every small action contributes to a healthier planet. Together, we can create a plastic-free campus and set an example of responsible living.

We invite all students, faculty, and staff to participate enthusiastically in this movement. Let us work together to transform our campus and community into a cleaner, greener environment.
